The construction of Quarters for the Lad Superintendent of the Maharani's College has become a necessity, as the rented building which she now occupies and for which she is given a house-rent of ₹60 per month, is unhealthy and she is not able to procure another suitable building The Quarters originally intended for the Lad Superintendent have been in the occupation of Mr Denham, Professor of History in the Maharaja's College, for the past some years, and he has fitted up the building at considerable cost to suit his own convenience He cannot, therefore, be disturbed without hardship A new building may under the circumstances be sanctioned for Miss Palethorpe at a cost of ₹ 11,166 as estimated by the D P W, and a sum of ₹ 5,000 specially given as an addition to the Budget of the current official year to commence work Mr Chutchin says that he is unable to find the amount from any of the sanctioned heads

SIR,

I have the honour to inform you that great need is felt of official quarters for the residence of Miss Palethorpe, Lady Superintendent of the Maharani's College in Mysore. Many years ago a house was built in the Western Extension for the late Lady Superintendent Miss Vokins who disliked it, and the house was given for the occupation of Mr. Denham Professor of History in the Maharaja's College. Mr. Denham has occupied the house since 1894, and fitted it up at a considerable cost to suit his convenience. It would not be possible to disturb him after he has occupied the house for more than ten years, and I understand that Miss Palethorpe does not consider the house desirable for herself. Moreover Mr. Denham would see in the same difficulty about a house as Miss Palethorpe if he had no Government house to

ive m - Miss Palethorpe is at present occupying the only available house for Europeans which is next door to the Mysore Normal School Its situation is very unhealthy and the plinth floor and walls are always moist It is not possible for her to enjoy good health or be in full vigour of body and mind in such a house, and she can not find any other for rent in Mysore - Under these circumstances I request the Government may be kind enough to sanction the construction of a house for the Lady Superintendent in the Western Extension - She suggests that the house may be built in the rear compound of the Guests' Quarters at Mysore - This site would be both healthy and at a convenient distance from the Maharani's College - I recommend that Government may be kind enough to grant the Lady Superintendent the relief she much needs at their earliest convenience

I have the honour to be,

Sir,

Your most obedient Servant,

H J Bhabha
